THIRD TIME WAS THE CHARM FOR AGGIES IN 1992

The third trip to state in program history proved to be the charm for the 1992 Park River-Pisek Aggies volleyball team. The Aggies had finished second at state in 1989 and 1990. In 1992 Park River-Pisek pushed through and won a state championship.

Just to make it to state out of Region 3 was a big obstacle for the Aggies, who needed to get past top-seeded Langdon in the region title game. The Cardinals had defeated Park River-Pisek five times during the regular season.

Park River-Pisek defeated Langdon 3-2 (12-15, 15-4, 7-15, 15-10, 15-4) in the Region 3 championship match earning the Aggies a trip to Minot for the NDHSAA Class B Volleyball

State Tournament. At state, the Aggies got started with a 3-0 sweep of Nelson County North (Lakota) in the quarterfinals and followed up with a 3-1 victory over Central Cass in the semifinals.

The Aggies were once again one win away from a state title. Park River-Pisek would be matched up against an undefeated Kenmare squad in the title match. To compete against the Honkers and win its first state title, the Aggies needed to play a “fired up” brand of volleyball.

Park River-Pisek hit the court with intensity and defeated Kenmare 3-0 (15-2, 15-5, 15-5) to finish its break-through season 26-6.
