

## 2008-2009 Tennis Proposals

**Proposal #1** – move team competition for the regional tournaments from all day Thursday (2 matches) and Friday morning (championship and state-qualifying matches) to all day Thursday

**Reasoning:** keeps athletes from playing up to 5 matches in one day and playing late into the evening

**Proposal #2** – allow practice on host city courts prior to 1<sup>st</sup> coaches meeting

**Reasoning:** allows team warm-up practice prior to start of tournament in addition to 10 minute warm-up prior to start of match

**Proposal #3** – present team roster at 1<sup>st</sup> coaches' meeting to all teams

**Reasoning:** to avoid having to wait for all matches to be completed before starting 2<sup>nd</sup> or 3<sup>rd</sup> round (if 2 teams are done with their matches and they play each other in 2<sup>nd</sup> round they can swap line-ups and start)

- if there is a discrepancy in the line-up coaches can be consulted

All proposals were discussed at length. Unanimous votes in favor of changes were tallied.
