

2008 Cross Country Advisory Committee

Committee Members: Brian Anderson, New Town; Brad Lies, Bismarck Century; Scott Reichenberger, Bismarck; Rick Henry, Larimore

Recommendations:

Prior to Regular Season:

1. Conduct mandatory rules meetings for all head coaches (including a session at the NDHSCA summer convention).
2. Clarify regulations as they apply to junior high teams for competition.

For State Cross Country Meet:

1. Avoid sharp corners on the course and mark with additional flags.
2. Post officials on the course with radio ability to report disqualification notifying an official at the finish line of the number of the runner. This will allow the runner to be notified at the finish line.
3. Look into the possibility of getting the runner's chips to the schools earlier.
4. Consider naming a permanent site for the State Cross Country Meet.
