

**Class B Baseball Coaches Advisory Meeting
Jamestown, ND
June 1, 2012**

Advisory Items for NDHSAA Board to vote on:

*Institute an annual January 1st declaration for new teams in order to be eligible for the post-season.

*Create a team game limit of 36 games and 23 dates prior to the state tournament.

*Revise the individual inning limit to read "252 innings prior to the state tournament."

Discussion Items:

*Recommend that the NDHSAA realignment committee meets in January to balance out the number of teams in each region for the 2013 season. Continue to do this every two years, similar to what is done in football.
