

Cross Country Advisory Minutes
12/12/13

Discussion

Class A:

1. Moving the Class A schedule to a 45 minute split (same as Class B)
2. Permanent site for State XC. I think they like being able to move it around the state.

Class B:

1. Date will stay the same (4th Sat of Oct), its not flexible due to other activities.
2. Discussion of a qualifying meet for state. All were against.
3. Adjusting road race rules. After discussion, all were against.

Take to Athletic Review

1. Change Class A State Meet schedule to match the Class B -- 45 minutes between races.
