

2012 Volleyball Advisory  
Meeting Minutes

**General Discussion**

1. Change Championship Match times to 5:00 and 7:00 (instead of 6:00 and 8:00)

-reasoning- Kindred fans left the Dome about 11:00 this year, I think that cuts into the number of "casual fans" that we get to drive to the tourney (less likely to pay for a hotel room). Plus there is two hours of dead time after the 3rd place match. If we cut out one of those hours, I think people would be happy.

2. Release the names of the All-State team to the media instead of bringing them down during the trophy presentation.

-reasoning- Lots of people expressed this one to me. Many feel that doing the All Tournament team during the trophies is enough. Many of the girls are on both teams. Also, this is the only sport that we do "All-State" during the actual tournament.

So looking over the two advisory meetings, there is really nothing coming from the Class B coaches. On the Class A side, there are two items that we could carry forward (the concussion headband and officials item aren't board issues). I'm seeing things on two levels (definitely, maybe). Please take a look and let me know your feelings (I put my thoughts in red).

**Definitely take to Athletic Review:**

1. Class A adopt the use of the blue, silver, and white colored ball for both regular and post season.

**Future Athletic Review:**

1. Due to the addition of 2 Class A teams, allow for the addition of one more tournament to the allowable match schedule.
