Re: Surrey and Nedrose Boy's and Girl's Track Co-op

The Nedrose School District will be expanding from K-8 to K-12 and will have enough athletes to field their own teams for Boy's/Girl's Track beginning with the 2015-16 school year.

Please accept this letter as a request to dissolve the cooperative agreement between Surrey and Nedrose High School's in the sports of Boy's and Girl's track effective for the 2015-16 school year and beyond.

Please let me know if you have any further questions.

*Charles Miller, Administrator*
