Dear Mr. Bubach:

I am writing to ask Bowbells be removed from the baseball coop between MLS, Glenburn, Kenmare and Bowbells. The reason for the dissolution request is due to the distance that students have to travel for practice. Bowbells is currently looking into another possible coop plan that may get more students interested in the sport because the travel distance and time to practice will be much less.

Thank you for your time.

Sincerely,

Celeste Thingvold
