In the space provided, please list the reasons for requesting this coop application:

This spring I was asked if I could find a coop for some youngers girls in my school to play softball. Because It was late in the year, it was late to start a coop. During the coop meetings between Max and Garrison, I approached Max with the idea of starting a program. Both Principals asked girls in grades 4-11 in each building if they were interested in starting a program. Both schools had interest among the girls. Softball is a growing sport among young kids. Many are playing all summer. Starting a program makes sense for students in both our schools. It would be another opportunity for our student-athletes to participate.

If approved, will this coop affect other schools: please circle: (Yes) (No) If yes, how?

_____ NO _____

Is this the nearest opportunity for schools to coop? please circle: (Yes) (No)
