In the space provided, please list the reasons for requesting this coop application:

These three schools would like to form a coop to get more students from our schools involved. Currently two of the schools are in a coop, but the travel distance for practices is long and we do not have athletes participating. Burke Central currently does not offer baseball and are interested, but them joining the coop we have in place, would require a longer distance to practice which would not help numbers.

If approved, will this coop affect other schools: please circle: (Yes) X (No) If yes, how? MLS and Glenburn would be on their own for baseball. They would lose Kenmare and Bowbells in their coop. This may not affect them much because they are not getting large numbers from the Kenmare and Bowbells schools in the existing coop.

Is this the nearest opportunity for schools to coop? please circle: (Yes) (No)  
If No, Please indicate why closer school(s) are not included in this application.

Has displacement of student been considered by each school? (Yes) (No)

Is the reason for this application to improve competition levels or make participation available. Explain:
