Re: Ineligible Player Report

Mr. Fetsch:

I am writing to inform you that Trenton High School played an ineligible player in its game against Surrey in Trenton this past Friday, September 28<sup>th</sup>, which Surrey won 62-12.

According to my coach, Brent Stanek, #36 Christopher Martinez, played only two plays on kickoff returns and, upon being notified that he was ineligible, he removed him for the remainder of the game. Christopher was ineligible due to our school's grading and eligibility rules which change on a weekly basis.

I have emailed Surrey Athletic Director Lyall Krueger as required by NDHSAA guidelines and am submitting this letter as well. It is my understanding that the result of the game will stand and it will not be recorded as a forfeit. In addition, we will ensure that this error does not occur again.

Please let me know if there is more information that you will need from me.

With regards,
