

Meeting Notes 5-26-2015

Discussed following items. We had 13 coaches in attendance.

Changing score cards to only 1 other score rather than the entire group.

Changing from 3-2 teams if Region has less than 6 teams otherwise 3 teams. An additional 6 qualifiers if only 2 teams. 2 Regions have only 3 full teams.

Making each meet a qualifier with a minimum slope rating or distance.

The coaches would like to have the meeting right after the end day 1 rather than the evening especially with the advancements of online tee times. **MAJORITY**

Coaches liked Iwanamaker but were interested in Golf Stat but no one knew much about this.

Making a maximum number of meets for a season. As you never knew when Winter comes or goes it didn't seem like something necessary. **MAJORITY NO SUPPORT FOR THIS**

Thought we should change the fee to always be \$50 per kid and this **would** include the practice round, range balls and the State Tournament. Not carts but what that would cost additionally as some schools send a check and are ok with that. I think if we just make it clear on the site the cart is not necessary the coaches could call on cart cost. **MAJORITY**

Want some minimum standards for procedure with rules for all coaches to go over with their kids. Thought was Red Stakes, Yellow Stakes, Out of Bounds, Unplayable lie, Cart path relief, hitting wrong ball, and procedure to drop. **ENTIRE GROUP.**

Much discussion on the NDHSCA and the interest in presenting and attendance at the advisory meetings.

Region sites 2016

Reg 1 Lidgerwood

Reg 2 Carrington

Reg 3 Langdon

Reg 4 Garrison

Reg 5 Hazen

Reg 6 Des Lacs Burlington
