

Class A Softball – Coaches Meeting - State Tournament 2016 – Mandan

Advisory Notes

Questions regarding site – fan seating/viewing, concessions, bathrooms. Is Lincoln Elementary Field Best site vs. fields by Memorial Park if combined atmosphere is the goal?

Class A Softball Coaches prefer Combined A/B Softball Tournament format vs. Combined Baseball/Softball by Classification. Feel that they should not be treated same as baseball as they are different and not alike.

Game limitation for softball is appropriate; no desire to add contests.

7th & 8th Place games would prefer to play, also discussion was held about lack of communication to coaches regarding decision to dissolve this contest. Feel that coaches are not communicated to or in the loop regarding changes.

Would like to keep East & West Regionals similar. Would like to see 3 day format that does not put teams in winner's bracket at disadvantage.

Discussed preferred sites of state tournament of combined A/B tournaments.
