

10/13/16 – Soccer Advisory

Discussion

- All state awards – 6 per region with 6 honorable mentions per region
- All star game in Jamestown on June 7
- East/West crossover matches
 - Why have them? Win at all costs or use them to develop the roster
 - One or two games
- Rise in ejections and possible ways to see the number decrease
- Officials professional development
- Officials evaluation system – may try to set up through assigners
 - Google survey after your match
- Officials enforcement of the undergarment and tape on socks rules per NFHS guidelines

Proposed regulation change

- Start the boys soccer season on Aug. 1 unless the date falls on a weekend, then start of the season would be on the first Monday after August 1

Rationale –

- 1- Longer season means less weeks with 3 matches
- 2- Allows for recovery time which could reduce injuries
- 3- Allows for open dates for re-scheduling if necessary

Vote of coaches was 7-6 in favor.
