

2016 XC Advisory
Dec 14, 2016

1. No Pets on State Meet course (except service animals) – Take to Athletic Review

-way too many on the State XC Course this year. Could be dangerous and interfere with the race

2. State Meet location

-we will stay with the 7 year site recommendations.

3. Coops

-would need a member school vote to change the over 325 coop allowance

4. Large field

-no need for a change yet, but if the size keeps growing, we may need to adjust the start
