

## **State Gymnastics Coaches Meeting February 2018**

- 1 State Judges – voting next year. Only 15 or 16 were available for this weekend’s meet, 13 are here. We will have you vote and also check availability and use both.
- 2 All schools should be using a minimum of two judges per event during the regular season.
- 3 Discussion from east coaches on making the region meet more meaningful, maybe a qualifier.
  - 2006 was the last year NDHSAA sponsored regionals and had region qualifiers. Change was initiated by the coaches – See meeting notes
  - this year there are 82 gymnasts participating at the state meet out of 123 possible gymnasts statewide.
  - Majority of coaches against making regionals a qualifier.
4. Judges and coaches need to be in communication more to discuss and see routines and be aware. Maybe have a “summit” with advisory coaches and a couple officials to discuss things on both sides.
