

Hockey Advisory Meeting Agenda
NDHSAA Office – Valley City
March 13, 2018
11:00 am

Advisory members: Jason Bennett, Mat Ekblad, Pat Johnson, and Scott Petersen

NDHSAA staff liaison: Matthew Fetsch

Recommendations

Boys and Girls

1. Increase the number of allowable regular season games to the following:
 - a. Boys – 23 games
 - b. Girls – 25 games

Basketball has had games added in recent years once the number of teams increased. The East Region has added multiple teams in recent years and potentially another next year. Would increase the potential for inter-region games to help West Region teams with non-conference scheduling.

Girls

1. Move the entire girls season one week later beginning with the 2019-20 season. Season would begin and end one week later than boys.

Discussion Items

1. Length of season
2. Extending varsity length period to 20 minutes – NFHS playing rule
3. Amendment the transfer rule for students that re-transfer
4. Date of postseason officials survey
5. Four person crews in postseason
