

## **Soccer Advisory/Coaches meeting 10/12/17**

### Discussion

1. Enforcement of the tape rule on socks. Color should be the same but it is not enforced consistently.
2. Undershirts/tights – Needs to be the same color as the predominant color of the uniform. This is a financial concern for many athletes. If this is to be enforced schools need to purchase as part of the uniform.
3. Switching home and away uniforms – White on the road and dark at home – Kevin will contact the NFHS in support of proposed rule.
4. Scheduling – More time off needed between matches. Tuesday – Friday matches are ideal but facilities issue would arise with FB. Monday – Thursday matches were discussed as an option.
5. All Star match – consensus was to continue as long as support was there – March 1 deadline for athletes to confirm they will play. Could also save money if school uniforms were utilized instead of purchase.
6. Officials meeting at the beginning of the year with coaches to go over concerns and new rule implementation. Possibilities include cross over and/or scrimmages.
7. Move the coaches meeting to 9:30 am on Saturdays

### **Item to bring forward for regulation change.**

Under tournament games, add regulation stating “In all state consolation games, to include 3<sup>rd</sup> and 5<sup>th</sup> place matches, penalty kicks will determine the winner if tied at the end of regulation.”
