

## **State Boys Tennis Coaches' Meeting Notes**

### **Recommendation:**

For team matches at region and state, once the team match has been decided the remaining individual match or matches that have not started a third set will play a super tie-break in lieu of the full 3<sup>rd</sup> set.

### **Rational:**

Once the team match is decided, playing a full 3<sup>rd</sup> set lengthens the tournament unnecessarily.

### **Vote:**

Unanimously yes.

### **Discussion:**

1. The team trophy should be handed to the teams directly after their placing match. They can celebrate and teams can take pictures with it. The trophies will be handed back that night and will be formally awarded at the end of the state individuals tournament as usual. Mr. Rerick said this would work, he might just need to be reminded of this for next season.
2. We discussed the order of matches if indoors for the entire team tournament for region or state. No consensus was made. We need to address this for regional and state so all coaches, players, fans, etc. know what to expect. This is a tournament management and coaches issue.
3. All-State vote. No one was selected.
