

2019 State Gymnastics Coaches Meeting

1. Fixing rotation issues for individual day (program was incorrect).
2. Discussion on selecting officials for State Meet. In-person rules clinic and training. Video rules clinic.
3. Discussion on officials conferencing. Too many times in regular season, judges share scores before they should be (only if there is a discrepancy).
4. Officials judging preference list. Tara find out prior to season and send out to coaches?
5. Big meets are taking too long. Limit entries? Want to try 1.5 minute warmups, max of 15 minutes total. Coaches will try it next year.
6. Should there be more requirements for scores that qualify for State? EDC and WDA count as more? No support. NDHSAA will not sponsor.
7. Shade every other line in individual score google sheet so its easier to enter scores.
8. Pre-order tshirts for State Meet. Justin will talk to Coaches Choice.
9. All State discussion.
10. Scheduling.
