

11-26-18 Volleyball Advisory

Conference call meeting

Attendance: Jamie Zastoupil, Kaycee Grochow, Dale Peaslee, Kevin Morast

Discussion items:

1. Scheduling the coaches meeting 30 minutes earlier so coaches do not have to leave early
2. Sportsmanship – Kevin will add slides to administration meeting powerpoint, coaches powerpoint and officials powerpoint
3. Nike Pro Short – why not legal – NFHS rule and it is more than likely not going to change
4. State VB program – a number of errors were in the program. Noted that all errors should be sent to Tom Mix or Kevin Morast so they can be addressed.
5. Number of substitutions – three options right now
 - a. leave as is (18),
 - b. request for unlimited subs,
 - c. support proposal to reduce to 15.
Administrative view is to leave as is stating the flow of the game would not be good for VB.
Advisory recommendation is to leave as is.
6. Senior athlete of the year award – criteria needs to be sent out so all coaches are on the same page
7. All tournament team – More information needs to be provided to who is selecting, who is responsible for expenses etc.
8. Job description provided to advisory members once they are selected.
 - a. Kevin will come up with a generic job description as well as expectations.

Regulation change:

1. During the coaches/captains meeting a rostered member of the team shall be in attendance. Preferably the floor captain for the match shall also be in attendance
