GENERAL							
1. Approve a five year out of season coaching exemption for softball that would apply from the beginning of the high school season until Sept. 1st of that year. this would end August 31, 2014.						Y(4-0)	Y(9-0)
2. Include the three year baseball exemption in the above regulation which would end Aug. 31, 2012						Y(4-0)	Y(8-1)
Baseball has an approved 3yr exemption with no date stipulations. The committee would like to see baseball and softball the same except for the number of years for the exemption. The committee is proposing five years for softball because it is a newly sanctioned sport.
