Protecting Those That Protect America’s Food Source.

Don’t be fooled by that beat up old cap.

Its faded crown represents the tireless work of America’s farmers and ranchers.

Its sturdy brim represents their dedication to providing our nation with a safe, abundant and affordable food source.

From sun up to sun down, they’re turning quarters into the dollars that drive our rural economy.

So, we’d like to tip our hat to them.

Simply Different.
