

**NDHSAA Concussion Survey Questions**

NDHSAA will request concussion data from your school from your school on an annual basis. Requested data is for all sports in grades 7-12. Your NDHSAA Main School Contact will be emailed a link to the survey in April. You may use this form to gather your information, **however information must be submitted through the survey link.** **Do not fax or email this form to NDHSAA.**

- Concussed students in coop activities should be reported by the school of attendance.
- You will be asked complete this survey even if no concussions were reported.
- Dual sport/same season student concussions should be reported under the activity in which the concussion was received.
- The deadline for completing this report is May 15<sup>th</sup>. We realize all spring sports will not be completed by this time. If you have concussions to report after that date, please report them directly to NDHSAA.
