FOREWORD

The Board of Directors of the North Dakota High School Activities Association is pleased to present the 41st Annual Handbook which contains an historical and statistical account of the year's operation.

Attention is again called to certain trends and developments over the year, and special mention is made of several significant milestones in the history of the organization.

1) The trend toward reorganization and annexation of school districts continues and seven small schools were closed during the year. Membership in the Association during the past year was 313. Two high schools will be added to the list of Class A schools during the coming fiscal year, namely, North High School of Fargo and Fort Yates Community High School.

2) The policy of reimbursing schools for a portion of their state tourney expense in those state events that are not self-supporting was reinstated during the year and has been of material help to schools in financing their athletic program.

3) The amendment restricting midweek athletic contests apparently did not meet the needs of the small schools and the Association liberalized those restrictions by raising the permissible midweek basketball contests from 3 to 5.

An attempt to adopt special rules for junior high school competition was referred to a special committee for further study. The small school appears reluctant to accept the curtailment of the junior high athletic program recommended by several national organizations which have carefully studied the program for several years.

4) The general acceptance of the new class A and Class B basketball organization plan by both schools and the general public is reflected in the added tourney receipts which have reached a new high for the year.

The policy of telecasting state basketball tournaments is building a new interest in the sport and developing new fans.

5) Interest in other sports continues to grow, with more schools participating in the sports of wrestling, cross-country, track, golf and tennis.

6) The interest in athletics for girls has developed during the year on a national scale and the increased interest in physical fitness will ultimately result in the development of an interscholastic program for girls in various sports. Your Board of Directors has already passed resolutions and made other preparations to supervise such a program when conditions make such a program desirable.

7) A significant step in the development of the association program was the employment of an assistant to the executive secretary. It is anticipated that the program of training and registration of officials, and the
uniform interpretation of playing rules will be greatly enhanced by concentrating this in the hands of one man in the office. It is also planned to expand the rules interpretation meetings to include the sports of track and baseball. The production of a new 16mm film on track will fill a long-felt need in this field.

8) The revision of the district fee schedule in music and speech made it possible to eliminate special assessments at the district level and to provide adequate funds to finance both the district and state contests. Separate contests will be set up in 1965-66 for Class A and B schools, and should be more acceptable to both classes of schools.

9) A series of four cheerleaders clinics was conducted in the fall of 1964 and more than 1200 cheerleaders attended these clinics.

10) A new rate schedule was adopted for AABF fees and it appears that the new rate is adequate to make the plan self-supporting.

It is interesting to note that the policy of pro-rating claims, when the claimant has other insurance, (which has been pioneered by the Association) is becoming standard procedure in the commercial accident and health insurance industry. The AABF continues to grow in the number of children covered and the number of claims paid. A complete audited report of the year’s operation may be found elsewhere in this publication.

11) In general, this has been another eventful year for the North Dakota High School Activities Association. Steps taken by the Board will increase the work and scope of the Association program in the years to come and, with it, must eventually come an increased staff to carry out the expanding program.

As the books are closed for the year, we are mindful of the excellent cooperation and assistance given by this office by the many school administrators, coaches and others who have given willingly of their time and talents in order that the Association program could be accomplished.

It is with a little pang of regret that your Executive Secretary turns the responsibilities over to his able Associate, F. U. Smith. With the realization that the inevitable must happen and the knowledge and confidence that the work is left in good hands, the transition becomes more palatable and, in some respects, takes on qualities that make retirement not only attractive but something to which to look forward.

In these final minutes of meditation comes a glow of satisfaction in the wonderful associations that have been formed over the years, and a deep appreciation of the opportunity of working together with a splendid group of people in the office and in the field. May the Association continue to thrive and grow. My parting wish is that the Association will give my successors the same loyal cooperation and support as has been accorded me over the years.

EARL ABRAHAMSON
Executive Secretary

N. D. HIGH SCHOOL ACTIVITIES ASSOCIATION

MINUTES

Board of Directors Meeting

Valley City, North Dakota — August 7, 1964

The Board of Directors of the North Dakota High School Activities Association met in Valley City, North Dakota, on August 7, 1964, with all members present.

A special music committee of the Board and an officials committee consisting of representatives of the N. D. H. S. A. A. Board of Directors and Coaches Association and Officials Association had met previously on August 6th.

The reading of the minutes of the previous session was waived as each Board member had been presented with a copy of these minutes.

Coach Vinger of Rugby appeared before the Board with a request that the action of the Board at the June meeting relative to their protest of the eligibility of a Stanley basketball player be reconsidered. After considerable discussion, it was moved by Davy that the executive secretary be directed to write to the superintendent of the Rugby schools stating that Rugby was not remiss in protesting the Stanley-Rugby game at Minot. Although it was unfortunate that the eligibility information was not made known earlier, supporting the regulations of our Association is the responsibility of all schools and school officials. However, the Board of the N. D. H. S. A. A. sees nothing to be gained by any further consideration of this matter and so the case should be considered closed. The motion was seconded by M. F. Peterson and carried.

The next order of business was the examination of the audit report as submitted by R. B. Ludvigson, certified public accountant of Valley City. Upon motion by Maxwell and second by Kolbo, it was agreed to accept this audit report.

G. A. Tookey moved that the Fidelity Savings and Loan Association be requested to pledge securities beyond the $10,000.00 Federal Insurance for Association deposits exceeding such figure, or set up trust funds accounts in units not to exceed $10,000.00 so that all deposits are protected under the F. D. I. C. The motion was seconded by Kolbo and passed.

The Board next examined the complete financial report of the operation of the Association from July 1, 1964, to August 5, 1964.

Discussion followed on the retirement trust fund which had been established a few years ago for the executive secretary. It was moved by Joel Davy that the president appoint a committee to investigate the setting up of a similar plan for the executive secretary, seconded by Tookey and passed. Named to this committee were board members Spiss, Whiting and Peterson.

The next order of business was the adoption of the 1964-1965 budget which is as follows:

The secretary read a letter received from Supt. Chas. Crank of Garrison requesting a discount of A. A. B. F. premiums because of temporary enrollment inflation due to missile base construction in the area. It was felt by the Board that this evened out over a two year period and upon motion by Cummings and second by Davy it was agreed that the regular fee schedule should be followed.
The Board next opened the bids on basketballs for the 1964-1965 district, regional and state tournaments and it was found that the bid of Geffell’s of Devils Lake for $12.93 per ball for the Wilson $1200 ‘Jet’ Official Basketball was low. It was moved by Davy, seconded by Maxwell, and carried to accept this bid.

Some time was spent discussing T. V. policies in connection with state and regional basketball tournaments. It was moved by Davy and seconded by Peterson to continue the same policies as adopted a year ago. G. A. Tooley moved an amendment which was seconded by Spisz, setting minimum fees of $400.00 and $750.00 for televising Class B and Class A regional events respectively. The amendment and original motions were passed. The chair re-appointed Davy, Cummings and Smith to serve on the T. V. committee to carry out the policies outlined.

Discussion next followed on the program and agenda for the annual meeting of the Association in October. The associate secretary and James Maxwell reported on the banquet speech which was given by Dean John Marvel of the University of Wyoming at the annual meeting of the National Federation at Jackson Hole. It was moved by Whiting that an attempt be made to secure Mr. Marvel as the speaker for the Association meeting allowing a maximum fee of $200.00 plus expenses, and to contact Mr. Iverson, Executive Secretary of the N. D. E. A., as to the possibility of using Mr. Marvel on other programs with both organizations thereby sharing expenses. Second by Tooley and passed. Other suggestions for speakers in case it proved impossible to secure Dean Marvel were Stan Musial and Joe Foss. The secretary reported that the main item on the agenda for the business meeting would be the voting on the proposed junior high school by-laws.

Don Kolbo reported for the music committee explaining the new fee schedule which had been established for contest eliminating the need for special assessments by the various districts. In order to alleviate conditions at the state festival, district managers are to instruct adjudicators to be less liberal in the awarding of number one ratings. The Association office is to poll the schools during the current year relative to changes for the following year. The adoption of the report was moved by Tooley, seconded by Davy and carried.

A plan for limitations on wrestling meets as submitted by the Wrestling Coaches Association was read. Tooley, Davy and Solberg were named to a committee to work with Gerald Halmraat, president of the Wrestling Coaches Association in formulating definite policies. The executive secretary along with officials of the wrestling association were named a committee to select officials for the state wrestling meet. It was moved by Whiting and seconded by Cummings that the wrestling awards be comparable to those in track. Motion carried.

The Board next listened to the recommendations of the Officials Committee, and upon motion by M. F. Peterson and second by Cummings the following officials were to be tendered contracts for the 1964-1965 tournament series:

MINUTES
BOARD OF DIRECTORS MEETING
Grand Forks, North Dakota — October 14, 1964

The Board of Directors of the North Dakota High School Activities Association met in Grand Forks at the Star-Dust Manor with all members present except M. F. Peterson.

Each board member was presented with a packet containing the agenda for the meeting, a financial report of all business transacted from July 1 to October 13, 1964, and copies of the October Activities Bulletin.

The Board spent some time reviewing the financial report and, upon motion, the report was accepted.

Upon motion by Whiting and seconded by Cummings, the Board next approved the resolution as drawn granting Montana Dakota Utilities permission to run an underground gas line under the parking lot to the rear of the Association office building, leading to the Times Record building.

G. A. Tooley moved the adoption of the following resolutions relative to the deposit of funds of the Association. The motion was seconded by Kolbo and carried.

RESOLUTIONS ON DEPOSIT OF FUNDS OF NORTH DAKOTA HIGH SCHOOL ACTIVITIES ASSOCIATION and ACCIDENT BENEFIT FUND

Whereas funds deposited in commercial banks are protected up to a maximum of $10,000.00 under the Federal Deposit Insurance Corporation and there are times when the amount on deposit in any one of the North Dakota High School Activities Association and the Accident Benefit accounts exceed $10,000.00,

Therefore BE IT RESOLVED, that commercial banks serving as depositories for North Dakota High School Activities Association accounts be required to pledge assets in an amount equal to the maximum amount in any one account to cover deposits in excess of $10,000.00,

And WHEREAS, savings and loan associations are not authorized by law to pledge such assets,

And WHEREAS, the law for insurance of savings associations accounts by the Federal Savings and Loan Insurance Corporation provides separate and distinct insurance coverage for the beneficiary of each trust estate up to $10,000.00 independent of any coverage for other trust estates or accounts belonging to such beneficiary,

Therefore, BE IT RESOLVED, that all deposits of the North Dakota High School Activities Association funds together with earnings thereon and additions thereto made with the Fidelity Savings and Loan Association of Valley City, be and are hereby conveyed to Earl Abrahamson, Executive Secretary, or F. U. Smith, Associate Executive Secretary, as trustees for this organization as beneficiary; That the conditions of this trust are:

1) The trustees are hereby authorized and directed to invest said funds in a separately numbered account in the Fidelity Savings and Loan Association, subject to all the terms and conditions set out therein;

2) The undersigned grantor reserves the right to revoke this trust in part or in full at any time, but no revocation shall be valid unless written notice is given by the grantor to said institution;

3) In event of death, resignation, removal, incompetence or other disqualification of said trustees, the offices of the grantor shall have the right to appoint a successor trustee and the President or Acting President of said grantor shall serve as trustee until such right is exercised;

4) Unless revoked, this trust shall continue until by operation of law or by act of the said grantor such funds shall accrue absolutely to said beneficiary but, in any event, this trust shall terminate in 21 years and any funds then in the account shall be payable to the beneficiary;

5) The said institution is hereby authorized to pay the same or to act in any respect affecting said account before or after the termination of this trust upon the signature of the trustee, and has no responsibility to follow the application of the funds.

BE IT FURTHER RESOLVED, That deposits made under the provisions of this trust agreement shall be made at the discretion of the trustees in amounts not to exceed $9,500.00 in any one account and that additional trusts be set up in units of not to exceed $9,500.00 as funds become available for deposit and such trust accounts shall be numbered as trust agreement No. 1, trust agreement No. 2, etc., and consecutively numbered thereafter as necessary.

Requests for A.A.B.F. coverage from private schools for mentally handicapped children and from private kindergartens were read. After considerable discussion, Davy moved that applications from schools for the mentally handicapped be accepted on a one year trial basis, but that the request for such coverage from private kindergartens be denied. Seconded by Cummings and carried.

A request submitted by Howard Freeburg, Principal of the West Fargo High School, that the Board reconsider its present ruling relative to the eligibility of the mentally handicapped in special education classes was read. It was moved by Cummings and seconded by Spiss that the present policy of declaring said students ineligible be continued. Carried.
Discussion followed relative to the transfer rule as it affects foreign exchange students attending high schools in N. D. under the auspices of the American Field Services. It was moved by Davy that such students be immediately eligible upon enrollment providing they meet all other eligibility rules of the Association. Seconded by Spiss and carried.

Delegations from Mandaree High School and St. Mary's High School of New England appeared before the Board relative to the eligibility status of Alvin Hall after his transfer from Mandaree to St. Mary's and re-transfer after one day's attendance at St. Mary's back to Mandaree. Written reports and oral presentations were submitted by delegates from both schools. After some discussion it was moved by Tooley that the boy be declared ineligible at Mandaree until after the expiration of 18 weeks from the date of his re-transfer to Mandaree. Seconded by Whiting and carried.

A petition from Hurdsfield for transfer from District 27 to District 18 was read. It was moved by Whiting and seconded by Davy that this petition be granted subject to the approval of both districts. Carried.

An application from Oak Grove High School of Fargo for transfer to Class A status was read. As the application was not submitted prior to September 1st, it was moved by Spiss that the rules be followed, which would make such transfer effective for the school term 1967-1968. Seconded by Cummings and carried.

The next order of business was the selection of a delegate to represent the Association at the National Football Rules meeting in Chicago, January 5-7, 1965. It was moved by Kolbo and seconded by Tooley that George Rempef of Oakes be named as the official delegate and Floyd Boschee of Rugby be named as alternate. Motion carried.

Wayne Sanstead, debate coach at Minot High School, was named to represent the Association at the N. U. E. A. Committee on Debate and Discussion meeting in Chicago, December 29-31, 1964. Spiss moved that should Mr. Sanstead not be able to attend, the President be authorized to name an alternate. Seconded by Davy and carried.

Earl Abrahamson was authorized to attend the annual meeting of the executive secretaries at Chicago, January 5-7, 1965.

A request from the Times Record of Valley City for an easement on the Association parking lot for the unloading of freight was read. It was moved by Davy and seconded by Maxwell that the request be denied. Carried.

The next order of business was the opening of bids for televising 1965 basketball tournaments. The following bids were received:

1) N. D. Broadcasting Co. for the State Class A tournament at Grand Forks - $3,601.00 for one year or $7,500.00 for a two year period.

2) Meyer Broadcasting Co. for the State Class A, Grand Forks, $3,025.00.

3) N. D. Broadcasting Co. for the Southwest Class A Regional, Mandan, $825.00.

4) Station KXMC-TV of Minot for the Northwest Class A Regional at Minot, $810.00.

Discussion followed relative to the alternate bid of $7,500.00 by the N. D. Broadcasting Co. for a two year period for the State Class A event. It was felt that since bids were called for on a one year basis that only such bids be considered. It was then moved by Spiss that the bid of $3,601.00 from the N. D. Broadcasting Co. for the 1965 State Class A tournament be accepted. Seconded by Kolbo and carried. Whiting moved that the bids of $825.00 by the N. D. Broadcasting Co. for the Southwest Class A Regional and the bid of Station KXMC-TV of Minot in the amount of $810.00 for the Northwest Class A Regional at Minot be accepted. Seconded by Davy and carried.

Davy moved that the Association re-advertise for bids for televising the State Class B Basketball tournament, the Northeast Class A Regional tournament and the Southeast Class A Regional tournament setting a closing date of January 15th for receiving such bids with notification to prospective bidders that no negotiation would be made after that date for television rights for all or any part of said tournaments. Seconded by Tooley and carried.

The secretary next reported on the progress made to date in the securing of officials for regional and state tournaments, and the difficulties encountered relative to the Class A Regional tournaments because of conflicts with Class B District events. Authorization was made for him to contact other officials than those originally selected for these events.

A protest from Goodrich relative to a football game between Goodrich and Drake was read. As this appeared to be an error on the part of the official, it was moved by Davy and seconded by Cummings that the matter be referred to the conference committee for settlement. Carried.

Some time was spent reviewing the program for the annual meeting and the proposed junior high by-laws to be voted upon by the general assembly.

A protest from Supt. Buchholz of Pingree relative to the present method of distribution of profits from Regional Class A and B tournaments was read, along with the secretary's reply to the same. The Board considered the secretary's reply as sufficient action.

The following report of the Trust Fund Committee relative to a retirement pension plan for the associate secretary was given by Chairman August Spiss.

REPORT OF THE TRUST FUND COMMITTEE
August Spiss, Chairman; M. F. Peterson; D. B. Whiting.

The committee met in the office of M. F. Peterson on Friday, October 2, 1964. Some time was spent in the reading and discussion of the trust
agreement set up for the present executive secretary in April 1959. On the basis of this discussion the committee makes these recommendations:

1) A trust fund is to be set up for the present associate secretary, F. U. Smith. The amount of the Trust is to be sufficient to provide for a monthly income of $75.00 on the same basis as for the present secretary, Earl Abrahamson.

2) Payments are to be made until the fund has been exhausted, but not to exceed a period of fifteen years. Any balance left in the fund shall be subject to the same conditions as in Article 6 of the agreement on which this proposal is based.

3) The original amount of the trust fund and Frank Smith's quarterly payments shall be determined by an actuarial study. It is suggested that the secretary and the associate secretary initiate this study and present their findings to the Board at the January meeting. The committee suggests that the amount of the trust be of such an amount that a reasonable quarterly payment by Mr. Smith will insure the $75.00 per month income.

4) The committee also suggests an alternate proposal. This would involve payments by the Association and the associate secretary to insure an annuity at retirement age.

It was moved by Spiss and seconded by Cummings that the secretaries have an actuarial study prepared to present at the January meeting. Motion carried.

There being no further business, the meeting adjourned.

F. U. Smith, Associate Secretary
N. D. High School Activities Ass'n.

August Spiss, Willard Solberg and Ell Kay Larson were declared elected as members of the Board effective July 1, 1965.

Discussion followed relative to the Board ruling as to the eligibility of students enrolled in special education classes. This ruling was clarified by stipulating that those students who were certified as special education students by the Department of Public Instruction would be eligible for interscholastic competition if they received the same certification of eligibility as other students from the local school, including the requirement of passing grades in the work which had been laid out for them in at least three subjects.

Dick Karlgaard of Bismarck and Loren Faris of Mandan, representing the Coaches Association appeared before the Board relative to the possibility of the establishment of a state championship football game. The Coaches Association was instructed to survey the Class A schools to see how many would be interested in such a play-off and would be willing to participate in such an event, and to then draw up a plan for such a play-off to present to the Activities Board at their regular meeting in March. A request was also made by these men that the javelin throw be eliminated as a track and field event in 1966. The secretary informed the group that similar action had been taken by the Board a few years ago, but this event had been subsequently restored again by action of the Assembly. Consequently it was felt by the Board that any future change would have to be made by action of the Assembly.

Mr. Faris reported that he had received an invitation to attend the Secondary School Athletic Administration meeting in Washington in April and inquired as to whether the Association would underwrite a part of the expenses involved. Action was deferred until the March meeting.

Mr. Karlgaard reported that he had received a request from Mr. Dave Levine, sports director of KXMB-television station of Bismarck, for permission to video-tape the state wrestling meet for televising at a later time. It was moved by Tooley that permission be granted providing the televising be done after the tournament had been completed and that it be done as a public service with no advertising in connection therewith. The motion was seconded by Kolbo and passed.

The TV committee reported that no bids had been received following the second notice submitted to the various TV stations for televising the State Class B basketball tournament, the Eastern Class A regionals and the Class B regional tournaments. Discussion followed as to whether
any further negotiations should be considered at a later date. It was moved by Spiss that the committee be authorized to sell television rights for the State Class B tournament at a later date for the advertised price of $1,750.00 or to sell rights to televising portions thereof providing the tournament is completely ‘sold out’ for ticket admissions, at the following rates: $800.00 for the final night and $500.00 for any one of the other sessions. The motion was seconded by Kolbo and passed.

School officials from Drayton appeared before the Board relative to the eligibility status of a student who had transferred to their school from Hallock, Minnesota last fall. It was moved by Tooley and seconded by Davy that the decision rendered by the executive-secretary be upheld. Motion carried.

The next order of business was the setting of the date for the first day of football practice next fall, and the Board agreed that August 12th be set as such date.

The secretary next presented various retirement plans for the associate-secretary that had been received from the New York Life Insurance Company and the Fidelity Savings and Loan Association of Valley City. The New York Life Insurance Company offered two plans, one of which would require an annual payment of $1,462.88 for fourteen years which would be divided between the beneficiary and the Association and the other an annual payment of $1,297.49 for fourteen years. Two plans were also submitted by the Fidelity Savings and Loan Association. Plan one would require a $500.00 annual payment plus a disability insurance premium for fourteen years, which payments would be divided equally between the beneficiary and the Association. Plan two provided for an initial deposit of $4,000.00 by the Association and $300.00 annual payments thereafter by the beneficiary for a period of fourteen years. After some discussion it was moved by Spiss and seconded by M. F. Peterson to adopt Plan two as presented by the Fidelity Savings and Loan Association. Motion carried.

Some time was spent by the Board in reviewing basketball tournament regulations. Upon motion by Maxwell and seconded by Cummings the manager’s fee for the State Class A and B tournaments was set at $200.00. It was also agreed that protests as to eligibility of contestants would be considered by the Board before or after the completion of a tournament, but not while said tournament was in progress.

The following assignments were made for the presentation of trophies at the state and regional basketball tournaments:

The secretary reported that two schools would be added to the Class A ranks effective next fall, Fort Yates in the Southwest region and Fargo North in the Southeast.

The wrestling committee reported that they would be holding a meeting in connection with the State Wrestling meet and would be ready to report at the March meeting of the Board.

The Board next considered a questionnaire submitted by the National Federation relative to holding the annual summer meeting in Hawaii sometime within the next few years. It was moved by Spiss and seconded by Cummings that we go on record as being opposed to this idea. As the motion carried by only one vote, the secretary was instructed to notify the Federation that North Dakota voted ‘no’ on a divided ballot.

The next order of business was the consideration of a request that the Association sponsor hockey as an interscholastic sport. As only five high schools are currently participating in this sport, James Maxwell was delegated to conduct a survey to determine how many schools would be adding hockey as an interscholastic sport next year and to report same to the Board at the March meeting.

Discussion followed relative to the employment of an assistant executive-secretary as of July 1st. It was moved by Davy that notice be given that applications would be received for such position, stipulating qualifications requiring a first grade professional certificate and teaching experience including the coaching of athletics and other extra-curricular activities, and that such applications be submitted to the executive-secretary or associate-secretary by March 5th. The motion was seconded by Maxwell and passed.

There being no further business the meeting adjourned.

The meeting was called to order by President Solberg who called on Vice-president Devy to conduct the meeting.

The first order of business was the consideration of the proposed junior high by-laws. It was moved by Leon Olson of Williston that the note under Section IV of Article III be amended to read as follows: 'If the senior high school is housed in a different building and operates as a distinct unit separate from the junior high school in the system, then the senior high school team shall be limited to bonafide students of the senior high school, and ninth grade pupils enrolled in one of the junior high schools of the city are not eligible for membership on the senior high school team.' The motion was seconded by several and passed. It was then moved by Lawrence Hanson of Grand Forks and seconded by Hayden Williams of Minot that the printed proposed by-laws as amended be adopted. Following a lengthy discussion, it was moved by John Weber of Oriska that the proposed by-laws be referred to a committee to be appointed by the Chair for further study. The motion was seconded by Virgil Ford of Antler and carried.

Jerome Tjaden of Gwinner arose to question the decision of the Chair that this motion and action was final. A vote of the Assembly sustained the Chairman in his decision.

The next order of business was the consideration of the amending of Section II, g, of Article XII of the by-laws as sponsored by Lowell Peterson of Fingal, Lyle Peterson of Nome, John Weber of Oriska, Clair Borgen of McHenry and Ray Starks of Glenfield to read as follows: 'Not more than five regular season interscholastic basketball contests may be played by any team sponsored by the school on an evening followed by a school day. In case of postponement because of an Act of God, the State Board may grant permission to reschedule the contest.' Dale Doty of Ryder moved the adoption of the amendment, seconded by Anton Engelhardt of New Salem. After considerable discussion, the question was called for and passed by a 77 to 58 vote.

The next order of business was the consideration of an amendment sponsored by Harland Larson of Crystal, Victor Ball of St. Thomas, Lowell Peterson of Fingal, Lyle Peterson of Nome, John Weber of Oriska, Clair Borgen of McHenry, Wesley Kessler of Mercer, Martin Aarthun of Washburn and A. K. Johnson of Turtle Lake which called for the deletion of Section II, g, of Article XII of the by-laws. Lowell Peterson of Fingal moved the adoption of this amendment, seconded by Lyle Peterson of Nome. Following a lengthy discussion, a roll call vote was called for, which resulted in 93 votes being cast for the amendment and 102 against. The motion was declared lost.

Several arose to discuss other matters other than those for which this meeting was called and were advised by the Chair that inasmuch as this was a special meeting called for a specific purpose such discussions were out of order.

As the business for which the meeting had been called was completed, the meeting adjourned.

Considerable time was spent in studying the present Class B music district set-up and a proposed new alignment by the creation of one new district to alleviate crowded conditions in some districts. Approval was given to this proposal.

The Chair appointed a TV committee consisting of Don Kolbo, Chairman, Davy, Spisz, and Smith to present recommendations as to policies for 1965 at the August meeting of the Board.

Suggestions for the program for the Annual fall meeting were next considered. The committee was authorized to spend up to $250.00 for speakers for such program.

The Board of Directors of the North Dakota Officials Association met at Valley City on November 20th at 6:00 p.m. with all members present. The minutes of the previous meeting were read and approved.

Discussion followed relative to the ‘open book’ test for officials and the need for some modification of the program now in effect. It was then moved by Sid Grande and seconded by Eddie Agre that the Board recommend to the Officials Association that beginning next year every football and basketball official be required to take the Part I test as an ‘open-book’ test each year and the ‘closed-book’ test every other year, with the stipulation that no registration card be issued to said official unless the ‘open-book’ test is returned to the Activities Association office within a 10-day period. Motion carried.
Changes in qualifications for classification of officials were next discussed. Jay McClintock moved that the following requirements be presented to the membership for approval:

1) Officials having less than three years experience can only qualify as a 'registered' official.

2) To advance to the 'approved' status he must have had three years experience, taken the 'open-book' test and attended a clinic each year and received at least a 75% grade on the 'closed-book' test.

3) After 4 years of experience and a grade of 85% on the 'closed-book' test, he would be eligible for advancement to a 'certified' official providing he has met the stipulated requirements as to 'open-book' tests and clinic attendance and his 'rating factor' as submitted by schools is satisfactory.

The motion was seconded by W. A. Odne and passed.

Consideration was next given to the fee schedule for officiating football and basketball games. W. A. Odne moved that the following schedule be recommended:

ANNUAL MEETING
North Dakota Officials Association
Valley City – November 21, 1964

The annual meeting of the North Dakota Officials Association was held at the Valley City State College Fieldhouse at 11:00 a.m. with 22 members present. The minutes of the previous meeting were read and approved.

President Al Meyer presented the following recommendations of the Board of Directors relative to the testing program for officials:

1) Beginning next year every football and basketball official be required to take Part I as an 'open-book' test each year and Part II as a 'closed-book' test every other year.

2) No registration card be issued to said official unless the 'open-book' test is returned to the Activities Association office with a 10-day period.

It was moved by Sid Grande that the above recommendations be adopted, seconded by William Frost and carried.

Dick Koppenhaver moved that the mechanics of administering this be left to the Board of Directors, seconded by Eddie Agre and carried.

The following Board recommendations as to classification of officials was next presented to the group:

1) Officials having less than three years experience can only qualify as a 'registered' official.

2) To advance to the 'approved' status he must have had three years experience, taken the 'open-book' test and attended a clinic each year, and received at least a grade of 75% on his last 'closed-book' test.

3) After four years of experience and a grade of 85% on the 'closed-book' test he would be eligible for advancement to a 'certified' status, providing his 'rating factor' as submitted by schools is satisfactory and he has met the stipulated requirements as to 'open-book' tests and clinic attendance.

It was moved by Eddie Agre to adopt the above recommendations with the stipulation that after a three year probationary period a minimum score as determined by the Board of Directors be set as a requirement in order for an official to retain his 'registered' status. The motion was seconded by Gary Shipley and carried.

President Al Meyer next presented the following Board recommendations relative to a fee schedule for officiating football and basketball games:

It was moved by Eddie Agre and seconded by Gary Shipley that the above schedule be recommended to the Board of Directors of the North Dakota High School Activities Association for their consideration.

Upon suggestion by President Meyers the group instructed the Board of Directors to devise a plan for the establishment of an Officials 'Hall of Fame.'
Discussion followed as to what might be done to secure a larger attendance of officials at the annual meeting. It was moved by William Frost and seconded by William Galloway Jr. that area officials meetings be held in connection with the fall clinics and that delegates be named by the various local associations to attend the state meeting. Motion carried.

The Northeast and the Northwest groups caucused to nominate a representative to the Board as the term of their representatives had expired. The Northeast group nominated W. A. Odne and William Galloway Jr., and the Northwest group nominated Herb Parker. No other nominations were made from the floor. William Galloway Jr. was elected to represent the Northeast and a unanimous ballot was cast for Herb Parker as the Northwest representative.

President Meyers announced that his term as director-at-large had expired and that he did not wish to be considered as a candidate for re-election. Orville Iwen of Amanza was nominated for this position by Bob Frost. It was then moved and seconded that nominations cease and a unanimous ballot be cast for Orville Iwen. Motion carried.

Don Rollie moved that the group recommend to the North Dakota High School Activities Association Board of Directors that wrestling officials be required to attend a clinic and take a rules test as determined by the Board. The motion was seconded by Gerald Halinrat and carried.

There being no further business the meeting was adjourned.

EXAMINATION REPORT
NORTH DAKOTA HIGH SCHOOL ACTIVITIES ASSOCIATION
For the year ended June 30, 1965

July 23, 1965
Board of Directors
North Dakota High School Activities Association
Valley City, North Dakota

Gentlemen:

We have examined the accompanying statements of your organization, an unincorporated association, as of June 30, 1965, resulting from cash transactions modified to include depreciation on fixed assets. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and other audit procedures as we considered necessary in the circumstances.

Budget data has been included on a memorandum basis on Schedule B-1 to indicate substantial compliance with the authority for expenditures. Similar data on income has been included on Exhibit B to indicate that the original estimates were conservative. Temporary collections and expenditures for your members, also called "clearing transactions", amounting to $15,996.12, have been eliminated from the statements as they offset each other in exact amount and have no effect on your budget.

A review of your property insurance protection indicates that you are adequately insured with $25,000.00 carried on the building and $3,500.00 carried on the contents, which meets the 90% co-insurance requirement.

During the course of the examination, we noted that adequate advance planning by management resulted in an orderly transfer of responsibility from the retiring Executive Secretary Earl Abrahamson, to his successor, F. U. Smith, on June 30, 1965.

In our opinion, Exhibit A and supporting schedules present fairly the assets, liabilities and equities by funds on a modified cash basis on June 30, 1965, and Exhibits B and C and supporting schedules present fairly the result of your operations on a modified cash basis for the year ended June 30, 1965, on a basis consistent with that of the preceding year.

Yours very truly,
R. B. Ludvigson, C.P.A.
