December 2, 2009**

**Committee members: Lisa Strand, Thompson; Patty Luetzen-Schwarz, Minot
Brian Filibeck, Richardton-Taylor**

Recommendations:

1. Pursue the possibility of pictures of officials on website for recognition in balloting.
2. Colored volleyball – make it optional for teams to choose to use a blue, gray and white colored ball by mutual consent of coaches involved in a match. Include the option to purchase this ball in the state bid process. Use white for post-season play.
3. Propose unlimited substitution to the National Federation.
4. Allow pool play to be part of a team's statistic.

Discussion:

1. Concern for the selection process for all-tournament/all-state selections.

Agenda for coaches:

1. Cell phones being used by score table and line judges.
