

Wrestling Coaches checklist

- Pay Trackwrestling dues – check for email from Kevin Morast NDHSAA.
- Enter roster and schedule into the Trackwrestling website
 - You can use last year's roster to upload athletes that competed last season.
- Pay dues to Trackwrestling for their stats feature – (optional).
- Double check that all contact information in Trackwrestling is current
 - If new coach – contact NDHSAA for login and password.
- Confirm your assessor – if new assessor they will need to contact NDHSAA for login and password.
- 3rd Wednesday in October – First day to access (must be accessed before allowed to compete).
 - Double check each athlete's descent plan (reminder that athletes may not use ½ pound round down for regional tournament).
 - An appeal of an assessment must take place 14 days from each athletes' original assessment.
 - After assessments ensure your athlete is eligible to compete. This is done by checking your roster on track wrestling. If your athlete has a white x encircled by red they are not eligible. Contact the NDHSAA.
 - Athletes that are under 7% body fat must have a signed physicians release form before competing. Form is located on the NDHSAA website under the wrestling tab.

- Optional – Set up tournament you are hosting with trackwrestling – Mandy Antony or Nick Walton can assist with setting up and running your tournament for a small fee.
- If not utilizing trackwrestling, ensure all events and matches are recorded into the trackwrestling portal.
- Trackwrestling weigh in sheets are required for all weigh ins, print weigh in sheets prior to each competition.
- Check with Athletic Administrator to ensure you are a certified coach or how to become a certified coach (Certification required by NDHSAA).
