

VB Timer Responsibilities

Pre-Match

1. Be designated and report to the first referee no less than 20 minutes before the starting time.
2. Test the timing device to be certain it is in proper working order
3. Time the pre-match warmup.

Position

1. The official timer shall be seated at the officials table next to the scorer.

During the set

1. Time the interval for each charged time-out beginning with the referee's signal and give an audio signal at 60 seconds or as instructed by the second referee for a time out ending earlier. Every time out ends with a warning whistle by the official followed by the audio signal (horn) sounded by the timer
2. Time the interval for each injury time-out, on the timing device other than the visible scoreboard, beginning with the referee's signal and notify the second referee when 30 seconds has elapsed unless play has resumed or the referee indicates a decision has been made
3. Time the interval between sets, three minutes and five minute intermission is used, beginning when the first referee signals the teams to report to the appropriate team benches. Give an audio signal (horn) at the end of three minutes unless both teams are on the court.
