In the space provided, please list the reasons for requesting this coop application:

With decreasing enrollments at both of our schools it is becoming more and more difficult to field age-appropriate teams for our extra-curricular activities. We have had to move elementary players up to fill junior high teams and have had to move up 8th graders to fill JV teams. Rolla and Rolette are already co-oped in football, baseball, wrestling, and golf, and those co-ops have worked very well. We are looking to give our athletes the opportunity to compete at the level they should be playing at. Most of the elementary and junior high players we have pulled up to fill teams have not been ready physically or mentally to play at the upper levels they have been asked to participate on. There is a very good chance that Rolla will not be able to field a JV BBB team this season and in the future unless 8th graders who are not ready for JV competition are moved up.

If approved, will this coop affect other schools: please circle: (Yes) **(No)** If yes, how? _____

Is this the nearest opportunity for schools to coop? please circle: (Yes) **(No)**

If No, Please indicate why closer school(s) are not included in this application.

For Rolla, St. John would be closer than Rolette, but they already are able to fill all of their teams and have an abundance of players in VB, GBB, BBB. Since we are already co-oped in other sports with Rolette, it is a natural fit for us to add these other sports to our co-op.

Has displacement of student been considered by each school? **(Yes)** (No)

Is the reason for this application to improve competition levels or make participation available. Explain:

This application is to make participation available for our athletes and at age-appropriate levels.
