Brian Bubach and the NDHSAA Board of Directors:

Bottineau Public School requests to dissolve the existing 7-12 Softball co-op agreement with Westhope (Westhope/Newburg) effective for the 2021-2022 school year. With our participation numbers, we are excited to begin our own Softball program in the Spring. We will have both a Varsity and JV team moving forward.

Thank You,

Steven Dunrud
Bottineau Public School Athletic Director
