**Subject:** *request for dissolution of Cross Country COOP with Mandan*

Dear Mr. Bubach,

We would like to request that our application submitted to the NDHSAA board on June 2nd to create a COOP for Cross Country with Mandan High School be dissolved. This request is based on a couple of reasons.

1. The timing of everything was off in getting this to you on June 1, but we will make sure that we will not submit anything late in the future.
2. We were not prepared to cover the \$1000 late fee.

Sorry about this difficulty and thank you for your help over the last year in our COOPs and membership status.

Sincerely,

David Fleischacker
