

Swim Advisory 3-16-21

Members present

Richard Fisher
Skip Fisher
Thomas Wheeling
Kevin Morast

Discussion

- 1 – Banning all oils from competition not just scented oils
 - Unscented oils do not provide any medical concerns nor any performance issues

- 2 – Timers needed for first leg of relays
 - Kevin will send out reminders to officials to have them instruct timers to time the first leg of relays in case the automatic timer malfunctions

- 3 – Permanent site for state at West Fargo
 - Advisory will not make any recommendation regarding permanent site for state swimming
