2. Minimum standard for State XC
 - a. See how the double start line works first, but may be needed.
 - b. XC participation has doubled over the past 18 years.
3. Athletic.net
 - a. Will be used for registration in fall of 2022.
4. Number of team plaques
 - a. Coaches want to see a return to the top 5 teams earning team plaques at the State XC Meet.
5. State sites
 - a. Some coaches would like Grand Forks added to the rotation of State Meet sites.
 - b. All agree we do not want to go back to golf courses for State Meet.
6. The two day meet was very successful, all liked the flow better (and not fighting crowds)
