

NDHSAA DISTINGUISHED STUDENT PROGRAM

Attn: High School Principal

Objectives & Goals: To recognize deserving young people who are the "backbone" of interscholastic activities, not necessarily the leader, but the individual whose participation in high school activities strengthens the program for participants, their school and their community.

Criteria: Applicant must be a junior the year the application is submitted. Student must be a participant as a player, manager, statistician or other role in at least one NDHSAA sponsored activity in the current year to include fine arts activities. Note: Participation does not necessarily mean excellence, honors or even active play. Student must be a good citizen and role model to his/her peers as well as a contributor to the community. The committee will evaluate applicants' essays on their demonstration of sportsmanship and citizenship and how the applicant feels these values derived from activities will provide them lifelong benefits. *Student must be available through the awards ceremony (8:00-1:30) on the date of the interviews in order to be selected as a finalist.* (April 27, 2022)

Selection Process: One applicant per school is allowed. A pre-screening committee will narrow the applicants to six finalists. The Distinguished Student selection will be based upon an interview conducted by a Selection Committee. Immediately following the interviews, the results will be announced at an NDHSAA sponsored luncheon for finalists, their families and sponsoring administrators.

Deadlines: Completed application forms must be postmarked or sent via PDF no later than April 1. Applications postmarked after April 1 will not be considered. Finalists will be notified by mid-April. Interviews and the luncheon announcing the results will be held the first part of May.

Awards: All applicants of the NDHSAA Distinguished Student Program will receive a certificate suitable for framing. A press release naming all applicants will be sent statewide. Finalists will receive a medallion, a Distinguished Student polo shirt and will be featured in the September issue of the NDHSAA publication, the Bulletin. They will also be invited to participate in other functions connected with NDHSAA events. Farmers Union Insurance has graciously funded scholarships for the finalists. The NDHSAA Distinguished Student recipient will receive a gold medallion and a \$2,000 scholarship to the college of his/her choice. The runner-up will receive a silver medallion and a \$1,000 scholarship. The other four finalists each will receive a silver medallion and a \$500 scholarship to the college of his/her choice. The Distinguished Student will be invited to be the Grand Marshall of the NDHSAA Parade of Champions as well as speak at the NDCEL Convention and, along with the other finalists, participate in other activities such as serving as the NDHSAA spokesperson for High School Activities Week, promoting the values of activity programs and participating in awarding of trophies at NDHSAA state contests.
